You are receiving this message because I would like to extend and invitation to our Drive-In Movie for your car club! The Race City parking lot is far too big for us not to take advantage of the space, and like many automotive enthusiasts, we love and respect all makes & models. We have a 50' screen, outdoor speakers for those without FM radio, and a concession booth!

The Movies Currently Being Considered:

Ferris Bueller's Day Off

OG Gone in 60 Seconds

New Gone in 60 Seconds

New Italian Job (we watched the OG one last year)

Raiders of the Lost Ark

Star Wars

Gremlins

There will be priority parking for Volkswagens and lowered vehicles - but we will also be reserving parking for other car clubs. Please e-mail or phone me with any questions, or if you would like space reserved for your car club. There will be a limited number of advance tickets available - tickets are first come, first serve, and we are suggesting a donation in lieu of an admission price. Please e-mail or phone me for details.

Thanks, and hope to see you there!
